

IPOLY HIGH SCHOOL

2020-21 APPLICATION PROCEDURE AND TIMETABLE*

**For Students Attending in the 2020-21 School Year*

The instructions and timetable provided below are for your use in completing the International Polytechnic (IPoly) High School application. Please refer to these throughout the application process. Note the following:

1. Campus Visit

A campus visit is essential to understanding the IPoly High School program and requirements. While it is optional, it is highly recommended. If you have not attended a campus information session, please arrange to visit the school. On dates that there are campus information sessions, we also offer shadowing in which a student can spend a day on campus, observing and participating in classes. For event dates, please call 909-839-2331, and select *option 2*.

2. Submit Application

- a) **Applications for the incoming freshman class are released on October 17, 2019 and due by March 20, 2020 to participate in the lottery.** 8th graders that apply after the lottery deadline, will be considered on a first come, first served basis and may go onto a waiting list if there are no openings. *Transfer students that are currently in high school may submit applications year-round.*
- b) **Incoming freshman students that pass the entrance exam, are selected by lottery mid-April, 2020.** Enrollment is limited to a maximum of 136 students per grade level. Once spaces are filled, eligible students will be placed on a waiting list, which will carry into the following school year. **Students in grades 10-12 are accepted as openings become available**, and are admitted within the first month of each semester.
- c) Please complete the applicant and parent/guardian portions of the application (forms one and two) and submit remaining forms to school officials for completion (forms three through six: transcript requests, discipline/attendance history, letters of recommendation). Please follow instructions on each form and have the school officials complete and sign all forms, **even if they may not apply to the applicant.**
- d) **Turning in a complete application at one time is preferred over turning in sections of the application.** Please note that incomplete applications will not be reviewed, however, applicants will receive notification of missing documents.
- e) Complete applications will be reviewed in order of date received. Applicants are not compared against each other, but are accepted on their own merit. Eligible applicants will be invited to take an entrance exam. Exams will be issued monthly, beginning late January.
- f) If the student does not meet our requirements at time of application, we reserve the right to deny or put the student on a hold status until requirements are met. We do take transfer students and encourage students to reapply as needed.

3. Minimum Entrance Requirements

Minimum entrance requirements include a cumulative academic grade point average of 2.5 over the past two years, review of standardized tests, acceptable discipline and attendance history, and favorable letters of recommendation. Students that transfer in from other high schools must meet the UC A-G course requirements (to determine eligibility, please submit high school transcripts to IPoly for review). Students that meet the basic criteria will be invited to take an assessment test in math and English, and participate in a group activity or interview conducted on our campus.

4. Math and English Exams

Math and English exams will be scheduled for students who meet minimum eligibility requirements (a letter summarizing test content will be mailed to those eligible). These tests will be for the purpose of further evaluation of student preparedness and will test for basic skills. **Entrance exam test results will be mailed home within four weeks of testing.** Students that pass the exam will be entered into the lottery drawing for final student selection.

5. Group Activity and Interview

The day of the math and English assessment test, students will participate in a group activity or interview. The purpose of the activity is to allow the applicant to further understand the Project-Based Learning aspect of IPoly, and for us to see how willing the student is to work in a team-based setting. The ability and willingness to work in teams is essential. IPoly's Admissions Coordinator, staff, or students may administer the group activity or interview.

(Continued on next page...)

6. Acceptance Notification

Students that pass the entrance exam will be entered into a lottery drawing, scheduled for **mid-April, 2020**. Lottery results will be mailed home.

Due to limited openings, once the first 136 students have been selected via lottery drawing, all spaces will be full for the incoming freshman class. Remaining student names will then be drawn to create a waiting list. Students placed on the waiting list will be contacted once there is an opening; the waiting list will be valid through the next school year.

If a student is accepted and he/she is eligible to receive Special Education Services, an IEP meeting will be held with IPoly staff and the student's home district to determine placement and appropriate services needed for student success before acceptance is finalized. *If a student is eligible for 504 accommodations, please submit documentation upon acceptance.*

7. Ongoing Report Card Request

Parents are asked to submit report cards throughout the year, with the final report card submitted no later than June 28th. This allows us to track the applicant's GPA in order to see whether it is still meeting our minimum requirements.

Important: Students must submit 1st semester or 1st trimester report card in order to test, and must submit the last report card/complete transcript in order to have acceptance finalized.

8. Final Evaluation

After a student is accepted, a final evaluation will be completed. IPoly reserves the right to withdraw an offer to any student should significant academic or disciplinary problems arise, whereby the student no longer meets IPoly entrance requirements.

9. Enrollment Policy

IPoly students enroll in college preparatory coursework, commonly known as the A-G course sequence. Every graduate beginning with the class of 2010 is required to complete the A-G course sequence in order to receive a diploma (*LACOE Resolution No. 14:2005-2006*). Students who are at risk of not passing the required A-G coursework, while enrolled at IPoly, may be returned to his/her local school district.

10. Sibling Priority Enrollment

Siblings of currently enrolled students are given priority status in our admissions process in the case of a waiting list. This is done as a courtesy to families, and to assist in transportation. **Siblings must submit completed applications by December 30, 2019 in order to ensure priority enrollment.** *Siblings must still meet entrance requirement qualifications and pass the entrance exam.*

11. Nondiscrimination Policy

IPoly High School is administered by Los Angeles County Office of Education (LACOE), and carefully adheres to LACOE's non-discriminatory policy: LACOE values and respects the diversity of the community it serves. Diversity is an inclusive concept, encompassing race, gender, age, education, sexual orientation, religion, employment tenure, status or rank, national, geographic and language origin, socioeconomic status, and physical ability and/or disability. All individuals involved in LACOE programs and activities are prohibited from discriminating on the basis of any of these diversity characteristics in any LACOE program, activity, facility or contract. In all LACOE operations, participants must be especially careful to guard against unconscious discrimination and/or stereotyping. (*LACOE Board Policy 7310*)

12. Application Assistance

Call 909-839-2331 if you need additional information or assistance in completing the application forms. Please make a copy of the forms for your records prior to submitting them to IPoly. Once received, documents will not be available to the applicant or parent. Please do not submit original report cards or material, as it will not be returned to you.

**Please mail completed application to:
International Polytechnic High School, Attn: Admissions Department
3851 W. Temple Avenue, Pomona, California 91768**

TO BE PROVIDED AND COMPLETED BY SCHOOL OFFICIAL

Dear School Official/Advisor:

The above-named student is in the process of applying for admission to International Polytechnic High School for the 2020-21 school year.

In a sealed envelope to be picked up by the student/parent, please include the following:

- 1) Print out of past two years grades/transcripts,* with a cumulative academic grade point average for a two-year period (please also include most current grades). **Please include 7th, and 8th grade transcripts for incoming 9th grade students. (Students applying from a high school must submit all high school transcripts.) Updated quarterly report cards should be submitted throughout the year via parent/guardians.*
- 2) Standardized test scores (last two years' official results that are on file).
- 3) Discipline history (see attached form). Please complete this form even if student did not have any disciplinary problems. Please attach a full school disciplinary or attendance report if available.
- 4) Student health and immunization record (copy of records from school or yellow card from physician)

These documents and forms are required for the application to be considered *complete*. Until all documents are received, the application will not be placed in the queue to test. Please complete the attached forms with the appropriate responses and signatures.

Feel free to call 909-839-2331 if you have any questions. Please notify the parent/guardian if you prefer to submit the requested documents directly to IPoly.

**Mail to: International Polytechnic High School
Attn: Admissions Department
3851 W. Temple Avenue
Pomona, California 91768**

Thank you for your time in completing these documents.

Sincerely,

Ginger Merritt-Paul, Principal

IPLY HIGH SCHOOL 2020-21 APPLICATION
Form 4: STUDENT DISCIPLINE AND ATTENDANCE HISTORY

Please print or type

Student name _____ Current grade _____

Parent signature _____ Home telephone number () _____

TO BE COMPLETED BY SCHOOL OFFICIAL

NOTE TO SCHOOL OFFICIAL: The above-named student is applying to International Polytechnic (IPoly) High School. This document is a requirement of our application process. Please indicate whether this student has had behavior and/or attendance problems at schools attended **within the last 24 months** by checking all that apply. Also include dates and explanations if appropriate, and attach additional reports as necessary. Please contact IPoly's Admissions Coordinator at 909-839-2331 if you have any questions or concerns. You may return this document in a **sealed** envelope to the student/parent, or if you would prefer, mail it directly to IPoly at the address listed below. This information will be kept confidential.

Date of Student Enrollment: _____

Please check all that are applicable regarding disciplinary history for the above-named student:

- This student has not had disciplinary problems **within the last 24 months**

- This student has had the following disciplinary problems **within the last 24 months**:
 - Student has had an attendance problem **(please attach report)**
 (explain) _____
 - Student has had a pattern of defiance and/or violent behavior **(please attach report)**
 (explain) _____
 - Student has had a pattern of disciplinary problems suspendable by Ed Code **(please attach report)**
 (explain) _____
 - Student has been removed from campus for disciplinary reasons. **(please attach report)**
 (explain) _____
 - Student was expelled from an educational institution in the past 24 months **(please attach report)**
 (explain) _____

Other disciplinary problems include: **(explain)** _____

TO BE COMPLETED BY CURRENT MATH TEACHER

TEACHER: The above-named student is applying to International Polytechnic High School. IPoly is a public college preparatory high school with a unique and challenging *Project-Based Learning* curriculum. All students are expected to meet the A-G requirements and earn a diploma. Your careful evaluation of this student will greatly assist us in our admission process. Your response will be kept confidential, and once received, students have no access to admission records. Please contact IPoly's Student Admissions Coordinator at 909-839-2331 if you have any questions or concerns.

To obtain information about IPoly please visit our website at www.ipolyhighschool.org or check the box on the back of this form. When you have completed the form, place it in a sealed envelope and sign across the envelope's flap. The applicant will return the form with the application. If preferred, you may mail this document to the address on the back of this form, and inform applicant of this action. We sincerely appreciate your time and effort in completing this evaluation. Applications will not be reviewed without teacher responses.
